Pokemon Ruby Magma Nds Rom Zip Dennou Mintouchi is an 18-year-old who just learned of the Crisis because he was rescued by Captain Gray from Team Magma and the Diamond Empire. Happening 80 years ago, he was the only survivor. The PokéCommunity Meta Pokémon characters and images belong to The Pokémon Company International and Nintendo. This website is in no way affiliated with or endorsed by Nintendo, Creatures, GAMEFREAK, or The Pokémon Company International. We just love Pokémon.Q: jQuery simulate browser load I'm trying to simulate a browser load in a specified time. I have this code: And I have this function: function execute() { $('#load').load('build/index.php'); setTimeout(function() { $('#load').fadeIn(300); }, 1000); } When I click on the button, the browser doesn't reload. What am I doing wrong? A: You need to change the order a bit, like so: function execute() { $('#load').load('build/index.php', function(){ $('#load').fadeIn(300); }) } Q: Why can't I pick up a specific object? I recently started a few games on an emulator (playstation2) and I'm having some trouble to pick up items. It's not an issue with random objects though, for example it says I can't pick up a lamp, even though I managed to do it two times in the same map without any problems (I was walking around while being on it). It happens for everything I pick up, objects like weapons, Armor, etc. If I try to pick up a specific item it says "you already have a weapon...", so it can't be that I just don't have one. I already bought and repaired several weapons and armor, so it's not the problem. A: Picking up an item while on an item may cause items to drop if it is not eligible, although
